OUR STORY

VEE FITTINGS (2015), an establishment founded in the city of Pune by young entrepreneurs with an ambition to become one of the best Architectural Hardware Fittings brand of India. Our journey at VEE FITTINGS commenced with a small group of people that has now successfully renowned itself as one of the front runners in the industry. We have enhanced our potential through our sub - brands, Albraco, Brassco Gold and Lavo, that cater to varied needs of the customers in the industry.

LAVO, Designed With Passion, designs innovative handles that showcases its inspiration in its own unique way. We started LAVO as a small endeavour and have now left a mark in the industry as one of the most innovative brands. At LAVO we offer exclusive collection of designs, of various sizes and finishes of handles for Main Doors, Glass Doors, Cabinets and Knobs. We are ever evolving based on the latest trends of the market and preferences of our customers.

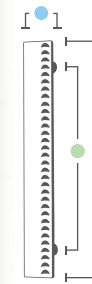

Our aim is to expand our services and cater to a wider audience in the future...
